

PUBLIC NOTICE
CENTRAL MARIN SANITATION AGENCY
NOTICE INVITING SEALED BIDS FOR

CHLORINE CONTACT TANK NO. 4, AND PRIMARY CLARIFIER NO. 2 AND 3 COATINGS AND
CONCRETE REHABILITATION PROJECT (CMSA CONTRACT NO. 25-26)

The Project consists of rehabilitation of the Sodium Bisulfite (SBS) Spill Vault, Primary Clarifier (PC) No. 1, Chlorine Contact Tank (CCT) No. 4, and Primary Clarifiers (PC) No. 2 and 3. To accomplish this work, the Contractor is required to complete the work items indicated on the Plans and Specifications including but not limited to the following:

Furnishing all labor, materials and equipment to blasting and recoating metallic piping and surfaces, resurfacing and coating deteriorated sludge hopper concrete, and repairing deteriorated concrete in PC No. 2 and 3. The work also includes removing failing coating and reapplying a new waterproofing coating along the entire length of the CCT No. 4 north wall, replacing failing coating in the SBS spill vault, replacing Hypalon sealing strip on expansion joints, and performing tasks as shown in the plans and specifications.

The engineer's estimate of probable construction cost is \$1,300,000. A valid Class A California contractor's license is required to bid on the Project. Sealed bids must be delivered to the Central Marin Sanitation Agency (CMSA), 1301 Andersen Drive, San Rafael, California on or before **11:00 AM PT on Thursday, February 27, 2025**. At that time, the bids will be publicly opened and read.

An optional pre-bid meeting is scheduled at 10:00 AM PT on Tuesday, February 11, 2025 in the Administration Building at 1301 Andersen Drive, San Rafael, California, 94901. **A site visit prior to bidding is mandatory for the Contractor to be qualified to bid on the project.**

The Contract Documents and any Addenda modifying the Contract Documents may be reviewed at select Northern California Builders Exchange/Plan Room locations, and are available electronically for download, at no cost, at <https://bids.cmsa.us>.
